

[Date]

This letter confirms that [name] has registered for eSAAM 2023, co-located at EclipseCon 2023, being held October 16 - 19, 2023.

[Name]

[Job Title, Company]

[Registrant ID]

[other info as requested by registrant]

eSAAM 2023 is a vendor-neutral scientific conference organized for software researchers on Cloud to Edge Continuum. More information about eSAAM 2023 is available here:

<https://events.eclipse.org/2023/esaam2023>.

The conference will be held at the following location:

Eclipse SAAM 2023 co-located at EclipseCon 2023
Forum am Schlosspark
Stuttgarter Straße 33
71638 Ludwigsburg, Germany
+49 7141 9103900

eSAAM 2023 is produced by the University of Macedonia, the Technical University of Madrid, and the Eclipse Foundation:

- The **University of Macedonia** (UoM) is a public research university in Thessaloniki, Macedonia, Greece. It is a modern institution, renowned for the quality, freedom, democracy, meritocracy and individual development it provides to its members. More information : <https://www.uom.gr/en>.
- The **Polytechnic University of Madrid** (Spanish: Universidad Politécnica de Madrid, UPM) is a public university, located in Madrid, Spain. It was founded in 1971 as the result of merging different Technical Schools of Engineering and Architecture, originating mainly in the 18th century. More information: <https://www.upm.es/internacional>.
- The Eclipse Foundation is a not-for-profit, member-supported corporation that hosts the Eclipse projects and helps cultivate both an open-source community and an ecosystem of complementary products and services. More information: <http://www.eclipse.org/>.
