

**ECLIPSE FOUNDATION, INC.
INDIVIDUAL COMMITTER AGREEMENT**

THIS INDIVIDUAL COMMITTER AGREEMENT (THE “AGREEMENT”) is entered into as of the ___ day of _____, 20___ (the “Effective Date”) by and between Eclipse Foundation, Inc. (“Eclipse Foundation”), a Delaware not-for-profit corporation, and _____ (“Committer”) an individual listed in the Eclipse Foundation’s Committer Database who has been approved to be a committer as further described herein.

INTRODUCTION

Individuals who give frequent and valuable contributions to an Eclipse development project, or component of a project (in the case of large projects), can have their status promoted to that of a "committer" for that project or component respectively, in accordance with the project’s corresponding charter. A committer has write access to the source code repository for the associated project (or component), or to other content on the Eclipse Foundation website. In order for an individual to become a committer, another committer for the project (or component) must nominate that individual. Once an individual is nominated, the existing committers for the project (or component) will vote using the process and rules determined by each Project Charter and administered by the Project Management Committee (“PMC”). When a new project is started, the responsible corresponding Development Team Leader PMC (Project Management Committee) will nominate an initial set of committers for approval by the Executive Director (or his delegates). Becoming a committer is a privilege that is earned by contributing and showing discipline and good judgment. It is a responsibility that should be neither given nor taken lightly.

By executing this Agreement, Committer agrees that: (a) he or she has reviewed this Agreement, (b) he or she shall comply with all obligations that result from being a committer, and (c) he or she shall be entitled to enjoy the rights of a committer, subject to the terms hereof.

1. COMMITTER RIGHTS AND OBLIGATIONS

Committer represents that he or she has reviewed and understands the terms and conditions of the Eclipse Public License (“EPL”) and the Eclipse.org Terms of Use currently located at: <http://www.eclipse.org/legal/termsofuse.php>. Committer agrees that the Eclipse.org Terms of Use will serve as the general contribution agreement for the Eclipse Foundation, unless otherwise agreed to in accordance with the Bylaws and IP Policy. Except as otherwise

determined by the Eclipse Foundation Board of Directors in accordance with the Bylaws and IP Policy, or as set forth in the Eclipse.org Terms of Use, Committer agrees that the EPL will serve as the distribution license.

Committers shall promptly inform the Eclipse Foundation of any change in the information provided on the Committer Questionnaire, including without limitation address, other contact information and any change in employment or independent contractor status, as well as the change in employer or third party to whom services are being provided. Committer shall, upon the Eclipse Foundation's request, confirm the currency of all information provided in the Committer Questionnaire.

1.7 Committer's rights. Committers working on an Eclipse Project may be granted privileged access rights to services, resources, or content on one or more servers, repositories, or content management systems provided by, or managed by, the Eclipse Foundation. Committers may also be granted other rights necessary to administrate and manage projects such as mailing list administration, Bugzilla administration, etc. The Eclipse Foundation will have complete control and discretion over which capabilities are assigned to a Committer account, and may terminate or temporarily disable Committer access for any reason at any time.

1.8 Treatment of Account. Each Committer shall maintain the strict confidentiality of his or her passwords issued by the Eclipse Foundation ("Password") and shall not allow any other individual or entity to use his or her username or Password. Should a Committer become aware of any such use, Committer shall notify the Eclipse Foundation immediately by sending an e-mail to EMO@Eclipse.org, or such other e-mail address as may be designated by the Eclipse Foundation from time to time. Until a Committer has provided such notice to the Eclipse Foundation, such Committer shall be presumed to have taken and shall be fully responsible for all actions made through its username and Password.

2. TERM AND TERMINATION

2.1 Term. The term of this Agreement shall begin on the Effective Date and shall continue until terminated by either party, with or without cause, by written notice to the other party.

Either party may give written notice of a change of address and, after notice of such change has been received, any notice or request shall thereafter be given to such party at such changed address.

Except with respect to the Bylaws of Eclipse Foundation, the IP Policy, the EPL, the Eclipse.org Terms of Use, Eclipse Foundation's Antitrust Policy, and any other policies, guidelines and procedures that may be adopted by Eclipse Foundation, from time to time, in accordance with the Bylaws, this Agreement, including all attachments, sets forth the entire understanding of Eclipse Foundation, and the Committer with respect to the subject matter hereof and supersedes all prior agreements and understandings relating hereto, unless otherwise stated in this Agreement. The waiver of any breach or default will not constitute a waiver of any other right hereunder or any subsequent breach or default.

3.6 Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but collectively shall constitute one and the same instrument.

3.7 Compliance with Laws.
