Adoptium Trademark Guidelines

Version 0.1 - June 4, 2021

The logos, marks, trademarks and registered trademarks associated with the Adoptium Working Group are valuable assets of the Eclipse Foundation that represent our quality, innovation, and excellence. As such they are protected by guidelines in how they may be used, and usage beyond the published guidelines is not permitted.

This Adoptium Trademark Guidelines document supplements the Eclipse Foundation Guidelines for Eclipse Logos & Trademarks Policy (this document, together with the Eclipse Foundation Guidelines for Eclipse Logos & Trademarks Policy, collectively, referred to as the "Policy") to address the permitted usage of the Adoptium Marks (as defined below).

The Adoptium Marks include, but are not limited to, the following names and/or logos: Adoptium, Adoptium Working Group, Adoptium Member, Temurin, AQAvit and AQAvit Certified, (collectively the "Adoptium Marks"). Depiction of the Adoptium Marks are described in the *Adoptium Brand Usage Handbook*.

Use of the Adoptium Marks is restricted as follows:

- Use of the Adoptium Marks must at all times conform to the Policy.
- Use of the "AQAvit Certified" brand and mark is limited to use in conjunction with AQAvit Certified Software Products.
- "AQAvit Certified Software Products" means any products which are ascertained to pass the AQAvit Quality Test Kit available under the then-current *AQAvit Certification Process*.
- Use of the "AQAvit Certified" mark is limited to use in conjunction with an AQAvit Certified Software Product distributed by:
    - Participant, Enterprise or Strategic Members of the Adoptium Working Group who are also licensees under the *AQAvit Certified Trademark License Agreement*; or
    - Guest Members of the Adoptium Working Group, if:
        1. Use of the AQAvit Certified mark is approved unanimously by the Adoptium Working Group Steering Committee; and
        2. Such Guest Members are also licensees under the *AQAvit Certified Trademark License Agreement*.
- Only Enterprise and Strategic Members in good standing of the Adoptium Working Group, are entitled to have an AQAvit Certified Software Product included in the *AQAvit Certified Software Products Marketplace*.
- Except as expressly set forth above, the use of any Adoptium Mark or any similar branding using the Adoptium, AQAvit, or Eclipse name or mark is not permitted in conjunction with any software or related services, including AQAvit Certified Software Products.
- Use of the Adoptium Marks is permitted by community members under nominative fair use but cannot be used in conjunction with any software product or service.
- The "Adoptium Member" mark can only be used to identify those Strategic, Enterprise, Participant, and Individual Committer Members that are members of the Adoptium Working

Group. Only then-current members of the Adoptium Working Group are authorized to use the Member mark, and use of the mark must conform to all of the terms of the Policy.
