

# Cloud Development Tools Steering Committee Calls

## Agenda & Notes

2020-04-30

| Discussion Topic                                  | Moderator     | Min |
|---|---------------|-----|
| Approval of minutes from <a href="#">April 16</a> | Martha        | 5   |
| Marketing update                                  | Tim           | 10  |
| Community update call                             | Paul / Martha | 20  |
|   |               |     |

### Attendees

1. Martha Benitez, Red Hat
2. Tim deBoer, IBM
3. Jean Roussel Personna, Ericsson
4. Tamir Menahmen, SAP
5. John Duimoivch, IBM
6. Paul Buck, Eclipse Foundation
7. Sharon Corbett, Eclipse Foundation

### Past Action Items

- **Everyone:** help put together information slides for upcoming community update **WIP**
- Action: schedule a roadmap conversation for an upcoming call
- All: continue work with their companies to get approval/payment of the participation fees for 2020
- All: Send along ideas for the achievements we'd like to see from the WG coming out of 2020
- Gorkem to add more details to the "IDE extensions for serverless and FaaS" initiative slide
- Schedule another session with Wayne Beaton about the specification process

### Action Items from this Meeting

- Tim and Martha to provide links to event talks in ECD website
- ~~Tim to propose May 19th as the date for the Community Update call. He will also request the committee prepares their updates and includes them in the slide deck by May 14th [before the Steering Committee call]~~

### Notes

- Approval of minutes from [April 16](#)
  - Unanimously approved
- Marketing update
  - Update on job posting: there is a couple of strong candidates in line

- OpenVSX
  - Branding discussed, referring to this as OpenVSX Marketplace is accepted by the Foundation
  - Hosting on the foundation is still a couple of weeks out
  - The Publisher Agreement needs a couple of amendments before finalizing
  - Coordinating marketing efforts, WG member companies to help co-market the announcement
- Building cohesive message around cloud development projects
- Need help promoting ECD website and twitter account from ECD member organizations
- Paul: should there be links to talks [e.g. RH Summit and IBM Think] on the website?
- John: yes, although likely related to products such links show how ECD members are working on cloud development tools
- Community update call
  - [Slides](#)
  - Tentative date for the community update call: May 19th [instead of the Marketing Committee bi-weekly call]
  - Tim will bring this up at the Marketing Committee call on May 5th, asking the group participants to provide content updates for the committee and update the slide deck
  - The steering committee will do a last review of the content for the community update at the May 14th call
- Other topics?
  - N/A
- Next meeting scheduled for Thursday, May 14 at 11:00 EST
