Announcing EclipseCon Europe 2012

October 23 - 25, 2012
Ludwigsburg, Germany
www.eclipsecon.org/europe2012

EclipseCon is our premier event for the Eclipse community, and ECE has become one of the best technology conferences in Europe. We continue to grow, welcoming more attendees each year with more choice of topics, more in-depth content, and more fun!

Here's what's planned for ECE 2012:

- Co-location of the OSGi Community Event at ECE
- Six tracks of talks on modeling, runtimes, testing, industry solutions, and more
- Really great keynotes - watch for the announcement soon
- Lots of networking, including the Open Innovation Reception and EclipseCon band

Submissions are open, so send in your proposals now!

- July 15 - early-bird submission deadline
- July 31 - final submission deadline
