

WORLD WIDE QUOTE

Here's an estimate for world wide shipping your products with Burbank Shipping Center.

All packing material estimates will be included in shipping estimates.

We provide shipping services for USPS, FEDEX, UPS and DHL

All estimates are based on our suggestion for most economical + security which is why you will only see one estimate price. **Bulk mailing will grant larger discounts, these prices do not reflect all discount available ***

* All prices subject to change.

* Holiday surcharges are not reflected in these estimates

* **Bulk mailing will grant larger discounts, these prices do not reflect all discount available**

Bulk mail is when the shipper is sending out over 100 units of merchandise. Once 100 units is surpassed, every transit transaction is allowed up to a 40% discount depending on each region. (These bulk discounts are not available for UK, Australia or Middle East)

* All shipment will be processed out of 1812 W. Burbank blvd Burbank CA 91506

6/16/2022

- * Almost all carriers are available for all countries to deliver, but that was not reflected in this estimate. If you need a specific carrier for a specific region please let a BSC employee know.
- * All international shipments are subject to taxes and tariffs to be paid upon customs receiving. Each country has its own taxing system and these prices can not be predicted. It is either the receivers or shippers responsibility to pay those taxes when customs presents them, Not Burbank Shipping Centers.
- * The cost of Gasoline prices and labor shortages cause shipment estimates to fluctuate.
- * While using USPS we will not be available to provide any estimated dates, and all claims must be done by either the shipper or receiver for lost and damaged packages.

Thank you and can't wait to work together
