

Oniro Prospects Pipeline Management Process

Full process description: <https://gitlab.eclipse.org/eclipse-wg/oniro-wg/sc-wg-oniro/pipeline-oniro/-/wikis/home>

Prospect: a company representative that have:

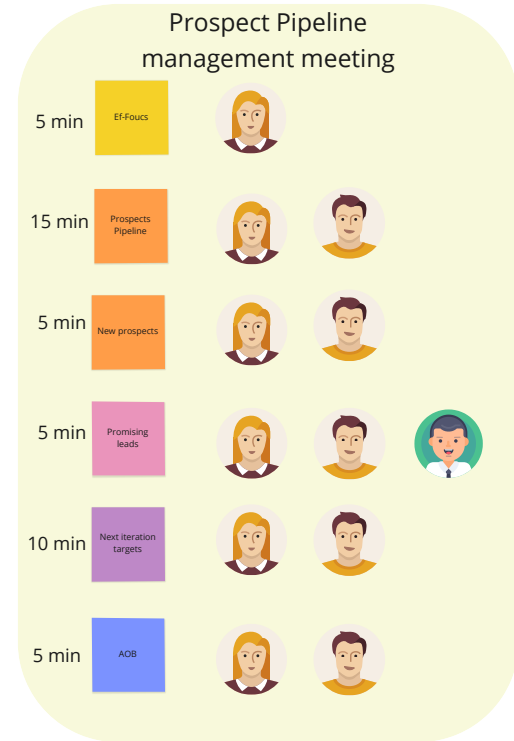

- Demonstrated interest in Oniro.
- Has provided explicit consent in being approached in relation with becoming EF and/or Oniro Member.

Prospect is also the tag used to define the first stage of the prospect pipeline management process. Check the labels description: <https://gitlab.eclipse.org/eclipse-wg/oniro-wg/sc-wg-oniro/pipeline-oniro/-/labels>.

This process is designed to manage prospects. Prior to that, contacts will be treated as leads and are not a subject of this process.

At Oniro, we manage the prospects in compliance with the following policies:

- GDPR: <https://gdpr-info.eu/>
- Eclipse Foundation By-Laws: <https://www.eclipse.org/org/documents/eclipse-foundation-be-bylaws-en.pdf>
- Eclipse Antitrust Compliance Policy: https://www.eclipse.org/org/documents/Eclipse_Antitrust_Policy.pdf
- Community Code of Conduct: https://www.eclipse.org/org/documents/Community_Code_of_Conduct.php
- Eclipse Foundation Communication Guidelines: <https://www.eclipse.org/org/documents/communication-channel-guidelines/>

- Oniro Member representative
- EF Staff
- Oniro EF Team
- Members staff
