Project Status (Sara)
- Eclipse staff will support, if there are problems. Please contact Sara
- Two projects are stuck because of license topics with AUTOSAR consortium
- Two new projects in proposal phase
- Platform to combine the projects is in preparation
  - Technical Community

Questions / Feedback

- Jeffers Liu: Engagement of executives of the automotive industry?
- Michael Plagge answers:
    - Opensource business models
    - Liability topics in automotive industry
- Michael Plagge: Engaging with existing projects is a good way to start, if you don't have started your own projects.

17:56 CET: Meeting Adjourned!
