Minutes

Minutes of March 25th, 2021

- Resolved, the Steering Committee approved the March 25th, 2021, Minutes

Approval of Working Group Guest Member

- Renewal of ST (STMicroelectronics, www.st.com) guest membership approved unanimously.

Vaccine & Disposable Identities Initiative

- Progress ongoing.
- Currently engaging with academic teams to create the best privacy-preserving long term strategy.
- On the way to Identity v1 release.

Gaia-X
- Gaia-X Federation Services (GXFS) requirements specification is now out for public review.
- Plan is to first tender for suitable software development companies which are to develop software fulfilling the requirements, and secondly take this software into the public domain (for the community to use and to further enhance)
- Trust and identity are to be based on DIDs and VCs

Projects in Energy
- Engie team to provide details of potential hardware to be used in PoC.
- Use cases will be decided after checking hardware compatibility.
