Minutes

Minutes of February 12, 2021

- Resolved, the Steering Committee approved the February 12, 2021, Minutes

Reorganization of Tangle EE Working Groups and Membership Meetings

- The idea of doing research seminars is being discussed with the research department of IOTA.
- The plan is to do research seminars in the near future.

Steering Committee Meeting Timing

- Leaving Steering Committee meetings on bi-weekly basis as this is favorable to increasing the focus

Vaccine & disposable identities

- Importance to focus particularly on the Pandemic and on the associated Covid Vaccination Passport
- Having a more in-depth (technical and business) discussion on the merits of a potential project is regarded as essential before involving further parties (e.g. Members) in order to conserve their time and efforts.
- Important to continue discussing the disposable identity and preservation of privacy proposal in the context of the COVID-19 vaccine passport in more detail
