Open Source Infrastructure Software Eco-system

Eclipse Foundation Participation and Commitments

- ✧ SOA Initiatives
 - ✧ STP membership
 - ✧ Eclipse tooling for FUSE built on WTP

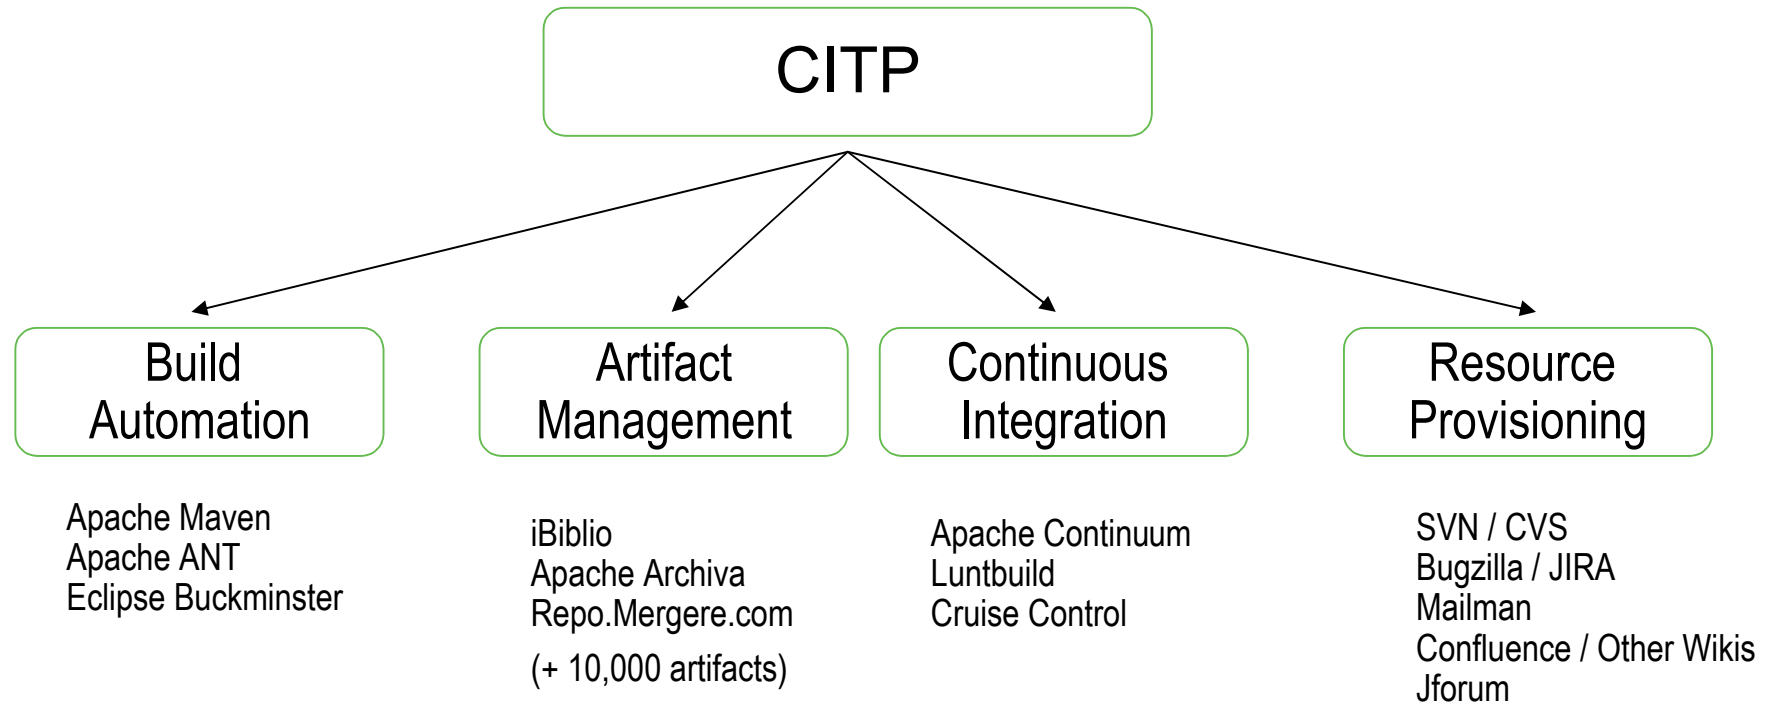

- ✧ Systems Management Initiatives
 - ✧ Eclipse RCP for LiveTribe Console

- ✧ Europa Initiatives
 - ✧ BIRT/ECF Build Support
 - ✧ Buckminster Integration

- ✧ CoRE Tooling Initiatives
 - ✧ Draft proposal for Community Infrastructure Tooling Project

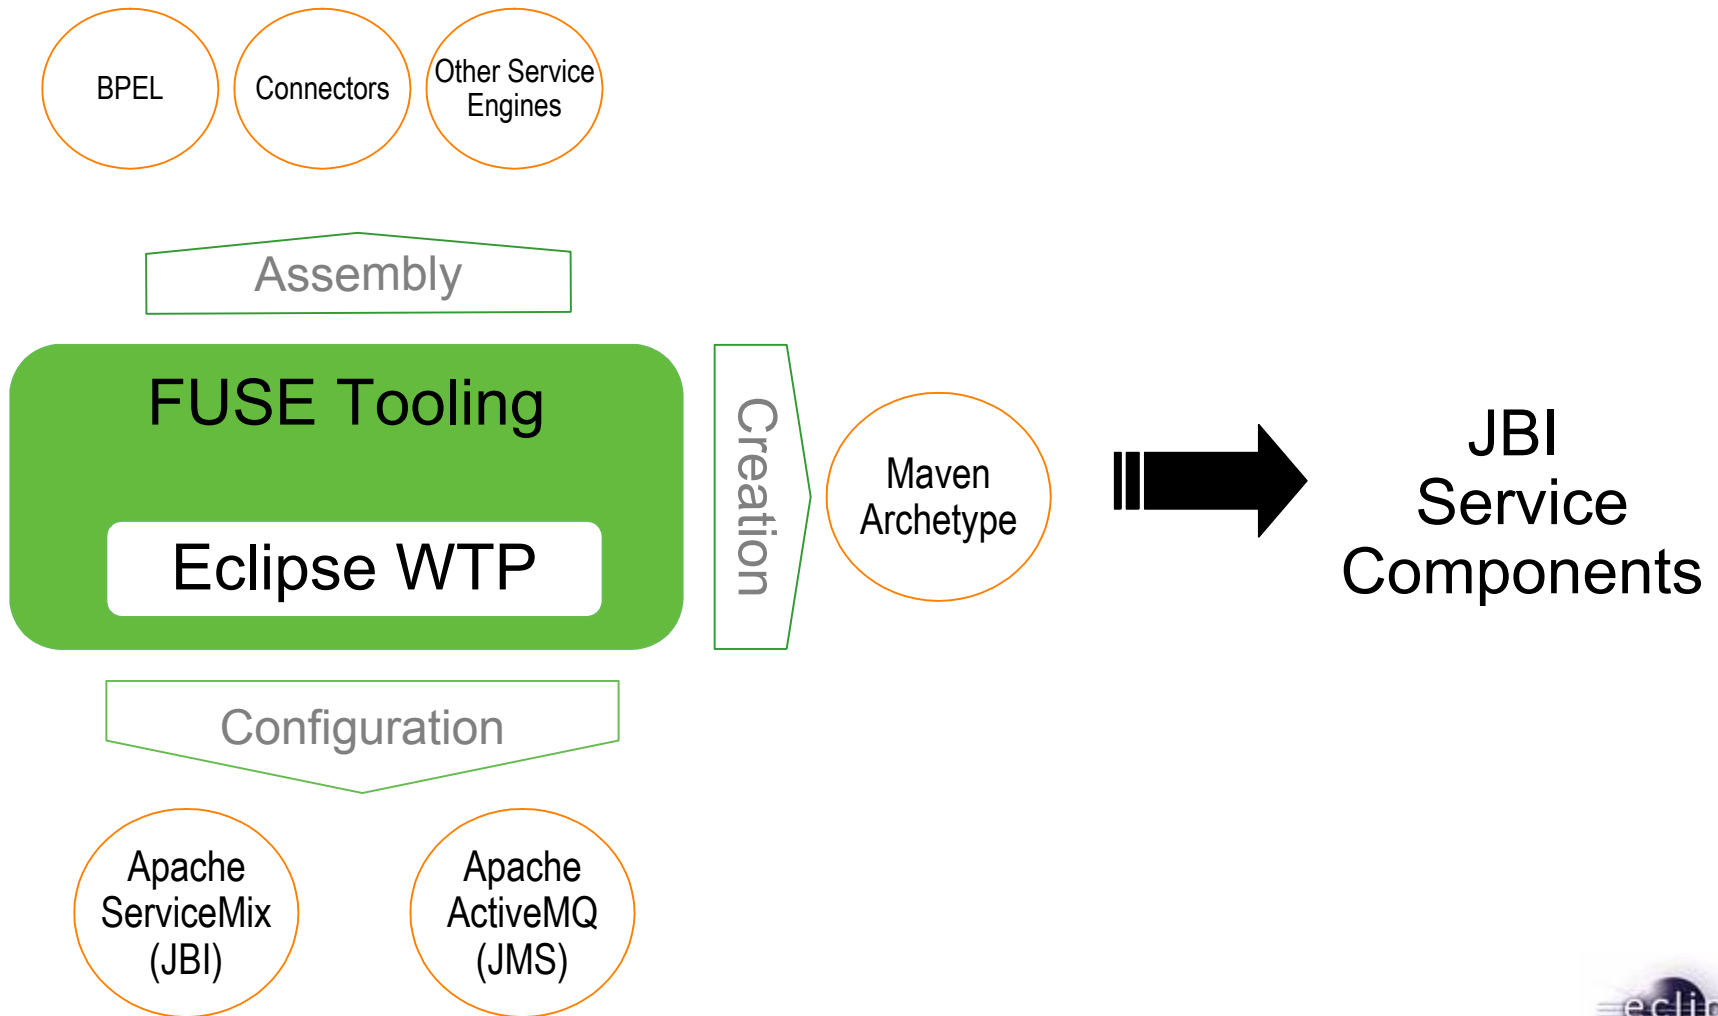

Community Infrastructure Tooling Project (Proposal)

JBIs Tooling

What to expect from us

- ⌘ Produce enterprise-class tooling for leading open source infrastructure projects
- ⌘ Facilitate productive cross-pollination between leading open source communities
- ⌘ Enable community infrastructure tooling within the Eclipse Software Foundation
- ⌘ Contribute to the continued growth of the Eclipse eco-system
